2. The reporter has indicated that expedited transcript for the hearing will not be available until September 18, 2020.
3. The undersigned has four deadline responses due to the NLRB in the next week, some of which have been delayed because of the preparation and attendance at the instant hearing.
4. The undersigned has four medical appointments during the week following the closing

of the hearing, three of which have been substantially delayed by COVID-19 closings, and the fourth which involves a regular treatment for a chronic disease that is incapacitating for a day.
